Academics' days

Monday and Tuesday
Oct 15 and 16

Scilab/OW2 Programming Contest

What
The Scilab/OW2 Programming Contest Award ceremony and students projects presentations.

Where
Nanjing
Hosted by Nanjing University of Aerospace and Astronautics

Executives' day

Friday
Oct 19

OW2 Corporate Networking Meeting

What
A one-day business-oriented event dedicated to high-level executive discussions and networking on open source as a business driver.
Sessions will cover:

- Quality and Trustworthiness in open source
- Open Source Cloud Computing
- Open source usage case studies

Where
Beijing
Hosted by Institute of Software
Chinese Academy of Science

Communities' day

Saturday
Oct 20

Open Source Communities Meetup

What
Open Source Community events with international and Chinese communities and break out sessions including:

- Cloud computing
- Mobile internet
- Communities
- Venture and start-ups

Where
Beijing
Hosted by Institute of Software
Chinese Academy of Science
