## Agenda

- Roadshow in Germany & Spain

## Notes

### Roadshow in Germany & Spain

#### 1. Germany

Generally speaking the preparation of the roadshow in Germany shows good progress

- Status
  - Fraunhofer Fokus' Gerd Schuermann has provided a list of contacts (businesses and associations mostly) and has suggested that Fokus could host a meeting with OW2 and invite those contacts
  - Petr proposed a contact at Karlsruhe University
  - We are expecting a list of German SMEs involved in FOSSBridge
- Roadshow plan
  - We'd shoot for a 2-3 day roadshow in Germany
  - Date: 2<sup>nd</sup> half of feb 2009 or in march 2009
  - With 3 steps:
    - Meeting hosted by Fokus in Berlin
    - Visit to Karlsruhe
    - (TBC) visit to 1-few FossBridge SME
  - We'd expect OW2 CTO and CEO to run the show, as well as 1 representative of the ELC, preferably from academia – INRIA volunteers
- APs: cf APs #26 & #27

#### 2. Spain

OW2 ELCs would need more information about what would be the goal of an OW2 roadshow in Spain - what would we try to achieve there, and how OW2 would position itself with respect to Morfeo. OW2 ELC is not convinced that efforts in Spain would pay back.

- APs: cf AP #28

### 3. Nordics

- Proposal: The ELC would like to propose a roadshow in the Nordics. We have contacts in the OSS community there, mostly academia, which will most likely be able to assist the roadshow and help OW2 to establish contacts and grow in the area:
  - Denmark: Aalborg University /ASPIRE
  - Sweden: University of Skovde
  - Finland : COSS/OSLC
  - Norway: Contacts with SINTEF research institute
- Plan:
  - Date would be early June – idea would be to leverage the trip to OSS 2009 in Sweden
- APs: cf AP #29

### Next meeting
