What Do We Do?

Fedora

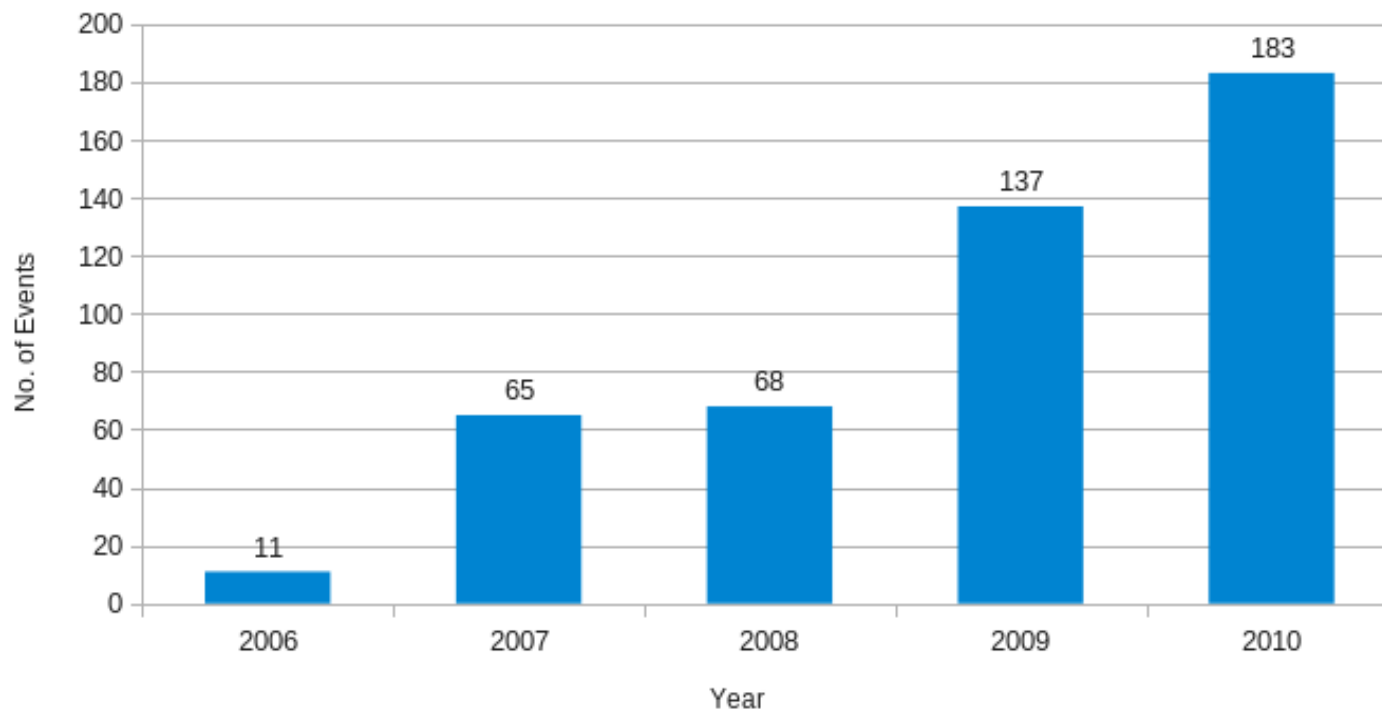

- Fedora Project Leader – **Jared Smith**
- Fedora Ambassadors – lead by Fedora Ambassadors Steering Committee (**FamSCo**)
- Fedora Engineering – lead by Fedora Engineering Steering Committee (**FESCo**)
- Fedora User and Developer Conferences (**FUDcon**)
- Fedora Activity Days (**FAD**)

Fedora Ambassadors – Global and Growing (after some pruning)

Fedora Events - global

Events by Year

- JBoss.org
- In excess of **100** active projects
- In excess of **80,500** community members
- JBoss User and Developer Conference (**JUDcon**)
– next one in India

Education

- Professors' Open Source Summer Experience (POSSE) - <http://teachingopensource.org/index.php/POSSE>
- Completed seven POSSEs in since mid 2009.
- Raleigh, Singapore, Cape Town, Rochester, Worcester and Doha.
- Plans for running at least three POSSEs in Asia Pacific in the next 6 months – Malaysia (done), India and Philippines

Community Consulting

- TOSW – The Open Source Way; a practical handbook on the open source way
- Community Consulting: Using TOSW to deliver to customers the open sourcing process, lifecycle planning etc. (http://commarch.usersys.redhat.com/wiki/Community_consulting)
- Looking at sales to seek ideas and opportunities to build open source projects and communities – irrespective of their sizes

Once more, our team:
